

HELMI TALIB GROUP

BRINGING INTERNAL AUDIT & RISK CONSULTING SERVICES TO YOU

The Helmi Talib Group is pleased to announce our newly constituted Internal Audit & Risk Consulting Department, headed by Ms Sue Hui who will be joining us as Internal Audit & Risk Consulting Manager with effect from 1st April 2021.

She will be dedicated to carrying out internal audit and risk consulting engagements for our clients and hopes to bring new opportunities for the firm as we grow and develop to provide quality services to our clientele.

“In the risk advisory profession, we always strive to provide value added services to our clients. Similarly, I look forward to adding value to the HT Group by leveraging my past experience and expertise in helping to pioneer the start-up of the Internal Audit & Risk Consulting department.”

TRUST. INTEGRITY. RESPECT

Ms. Sue Hui has worked in risk consulting services for 10 years, providing valuable solutions through internal control reviews, enterprise risk management reviews, ITGC audits and much more. Having gained experience in several reputable firms, she looks forward to bringing in new ideas and direction to the department.

Hoping to advance the value of our services through the management of a portfolio of internal audit and risk consulting engagements, Sue Hui is also adept in the knowledge of leading technology and data analytics in the industry which is certain to bring in innovative approaches to this field.

The Helmi Talib group looks forward to expanding our range of services as we explore this exciting new endeavour!

The Helmi Talib Group is a full-service public accounting firm based in Singapore. We established our company in 1992 and have been providing accounting, auditing, company incorporation, transaction structuring advice, corporate secretarial, and business tax advisory services through our eight subsidiaries to both local and international clients from a wide range of industries.
